

APEX SOFTWARE HOUSE

DIGITAL MARKETING PROPOSAL PLAN-5

PROPOSED BY
APEX SOFTWARE HOUSE

Website: <http://www.apexsoftwarehouse.com/>

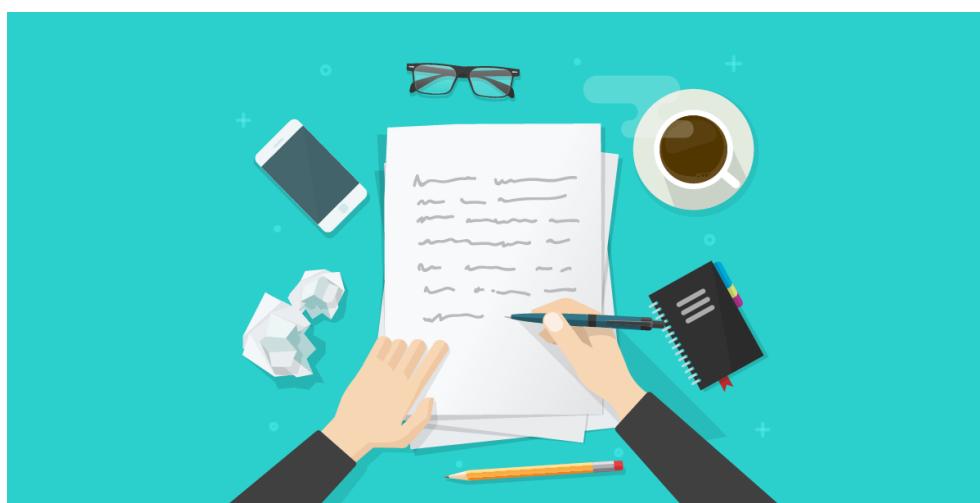

Advantages of Apex

(1) Search Engine Optimization

-SEO stands for “Search Engine Optimization.” It’s the practice of increasing both the quality and quantity of website traffic, as well as exposure to your brand, through non-paid (also known as “organic”) search engine results.

(2) Content Editing

- Content editing is a type of technical writing used not only in technical environments, such as manual or guide writing, but also used in academic and professional settings. It is used by students,

professors, as well as professional writers. Additional applications include resume writing, grant writing, and research.

(3) Social Marketing

-Social media marketing is the use of social media platforms to connect with your audience to build your brand, increase sales, and drive website traffic. This involves publishing great content on your social media profiles, listening to and engaging your followers, analyzing your results, and running social media advertisements.

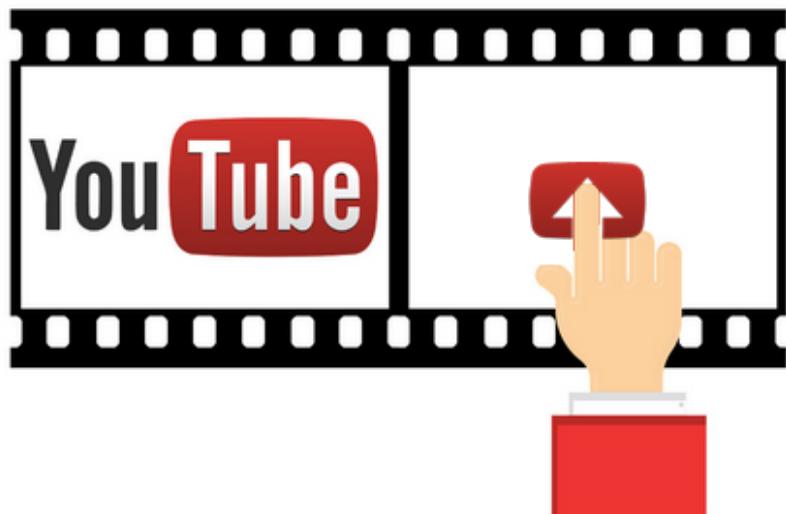

(4) Blog Management

Advantages of Apex

-Blog management is the process of creating, maintaining and sharing blogs to increase popularity of your website. A cost-effective way to add new content to your website on daily basis, so that your website remains updated.

(5) Video Uploads

(6) Top Rank in Search

(7) Keywords Identification

(8) Organic Ranking of Site

When a search engine returns its search results, it gives you two types: organic and paid. Organic search results are the Web page listings that most closely match the user's search query based on relevance. Also called “natural” search results, ranking high in the organic results is what SEO is all about.

(9) SMS Marketing (On Request Extra Charges)

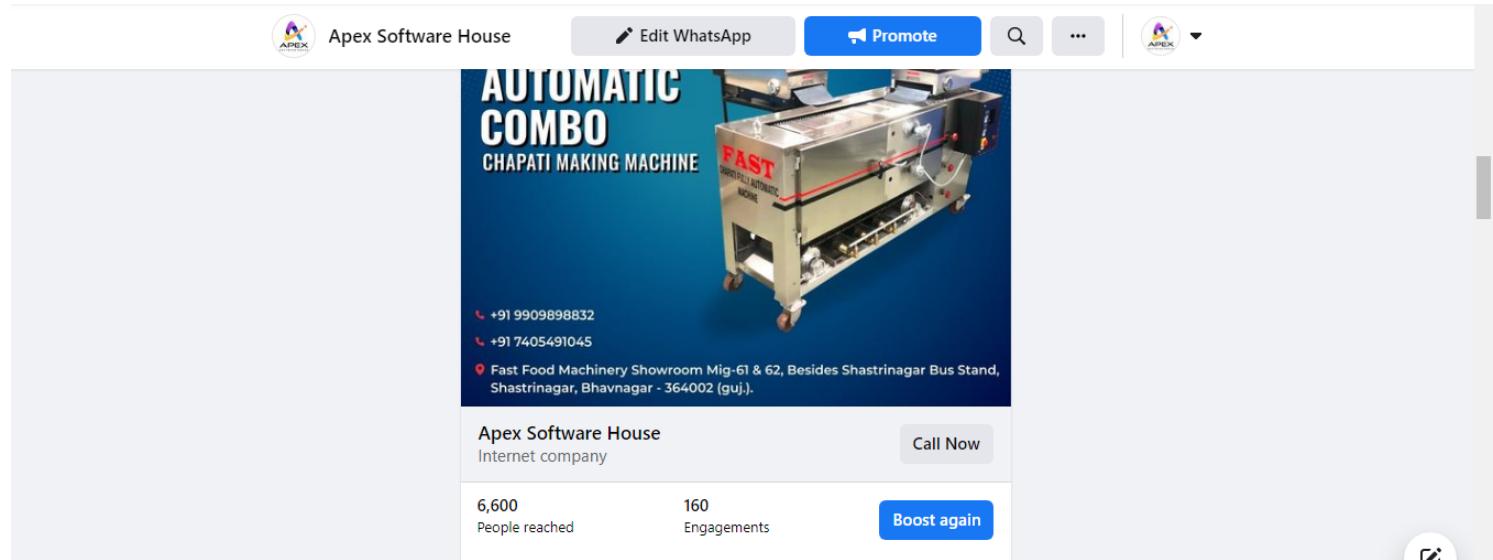

(10) Press Release

(11) Pay Per Click (On Request Extra Charges)

(12) Facebook Sponsored Links (On Request Extra Charges)
